

Saturday Sabbath Observers Test Center Codes

A letter on official stationery from your rabbi or minister must accompany your LSAC Registration Form.

The following codes indicate LSAT test centers for the test administrations noted below. **Do not use these codes for academic record data.** Walk-in registration on the day of the test is not permitted at any test center for any test administration.

The LSAT is not administered at every test center on all testing dates. Be certain to select a center with "Yes," indicating that an October, December, or February test is being administered on the date for which you are registering. **There is limited center availability for each test administration. You should register**

as early as possible, as your chance of being assigned to a desired center is greater. Assignment to a test center not indicated on your LSAT registration and/or test date change request does not entitle you to a full refund or a free test center or test date change. If you register online, you can check test center availability in real time.

Some published centers may have been closed subsequent to publication of this list. Affected candidates will be assigned to the nearest available center. Candidates should consult LSAC.org for the most current information regarding open test centers.
